

SEWCRSG CONFERENCE AWARD

The Southeast Wisconsin Communications Resource/Support Group, in keeping with their mission to enhance public safety communication systems by facilitating regional peer networking of emergency service providers, will cover the cost of registration and lodging for two randomly selected public safety dispatchers to attend the WI-NENA Annual Conference. The conference is being held October 25 to October 27, 2010 at the Kalahari Resort in the Wisconsin Dells.

As a condition of this drawing, the public safety dispatchers selected for this drawing will need to provide a written summary of their conference experience; classes attended, and authorize a post-conference photo shoot. This information will be used for SEWCRSG outreach and the annual report.

Any public safety dispatcher working for an agency within the Southeast region, (Kenosha, Racine, Milwaukee, Ozaukee, Washington, Waukesha, Jefferson and Walworth counties) or any public safety dispatcher, who is a member of the SEWCRSG regardless of location, may submit their name to be considered for this drawing. When submitting your name please advise why you would like to attend and how you feel it would benefit you and your department. We prefer you have this preapproved by your supervisor prior to submitting your name.

Submissions must be received by August 2, 2010. When submitting your information please also include Public Safety dispatcher name, agency and contact number and send to:
